#### DESIGN FEE

**From Rs. 7,999**

Customised for your plot, facing and Vastu needs.

### ABOUT THIS DESIGN

Three-storey house front with two glass-railed balconies wrapped in wood-finish cladding, a dark stone column carrying a tall white jaali screen, and a glazed stairwell on the left. The ground floor has grooved white plaster, two four-panel windows and a wood-and-steel gate.

### WHAT YOU GET

- 3D front elevation render
- Colours and finishes shown on the front
- Adapted to the width and floors of your home

### HIGHLIGHTS

- Two wide balconies with glass railing
- Cantilevered upper floors
- Double-height glazed stairwell
- Vertical jaali feature panel
- Boundary wall and gate
- Wall up-down lights
- Planter strip at the base
- Staircase head room on terrace
- White plaster with horizontal grooves
- Wood-finish plank cladding

### HOW IT WORKS

#### 01

##### Share your plot

Send your plot size, facing and requirements. The first consultation is free.

#### 02

##### We customise

Our architects adapt the design to your plot, Vastu preferences and budget.

#### 03

##### Build with us

Fixed rate per sq ft, stage-wise payments and site photo updates at every stage.
